

Watery Worlds

Wildlife on Water

Reflections

Moving Water

In Landscape

Rain

Cold

Steam

Water Sports

A guided tour by Andrew Longhurst

Water in the landscape

- Composition
- Colour
- Depth
- Framing

The Gower

Flowers add
colour

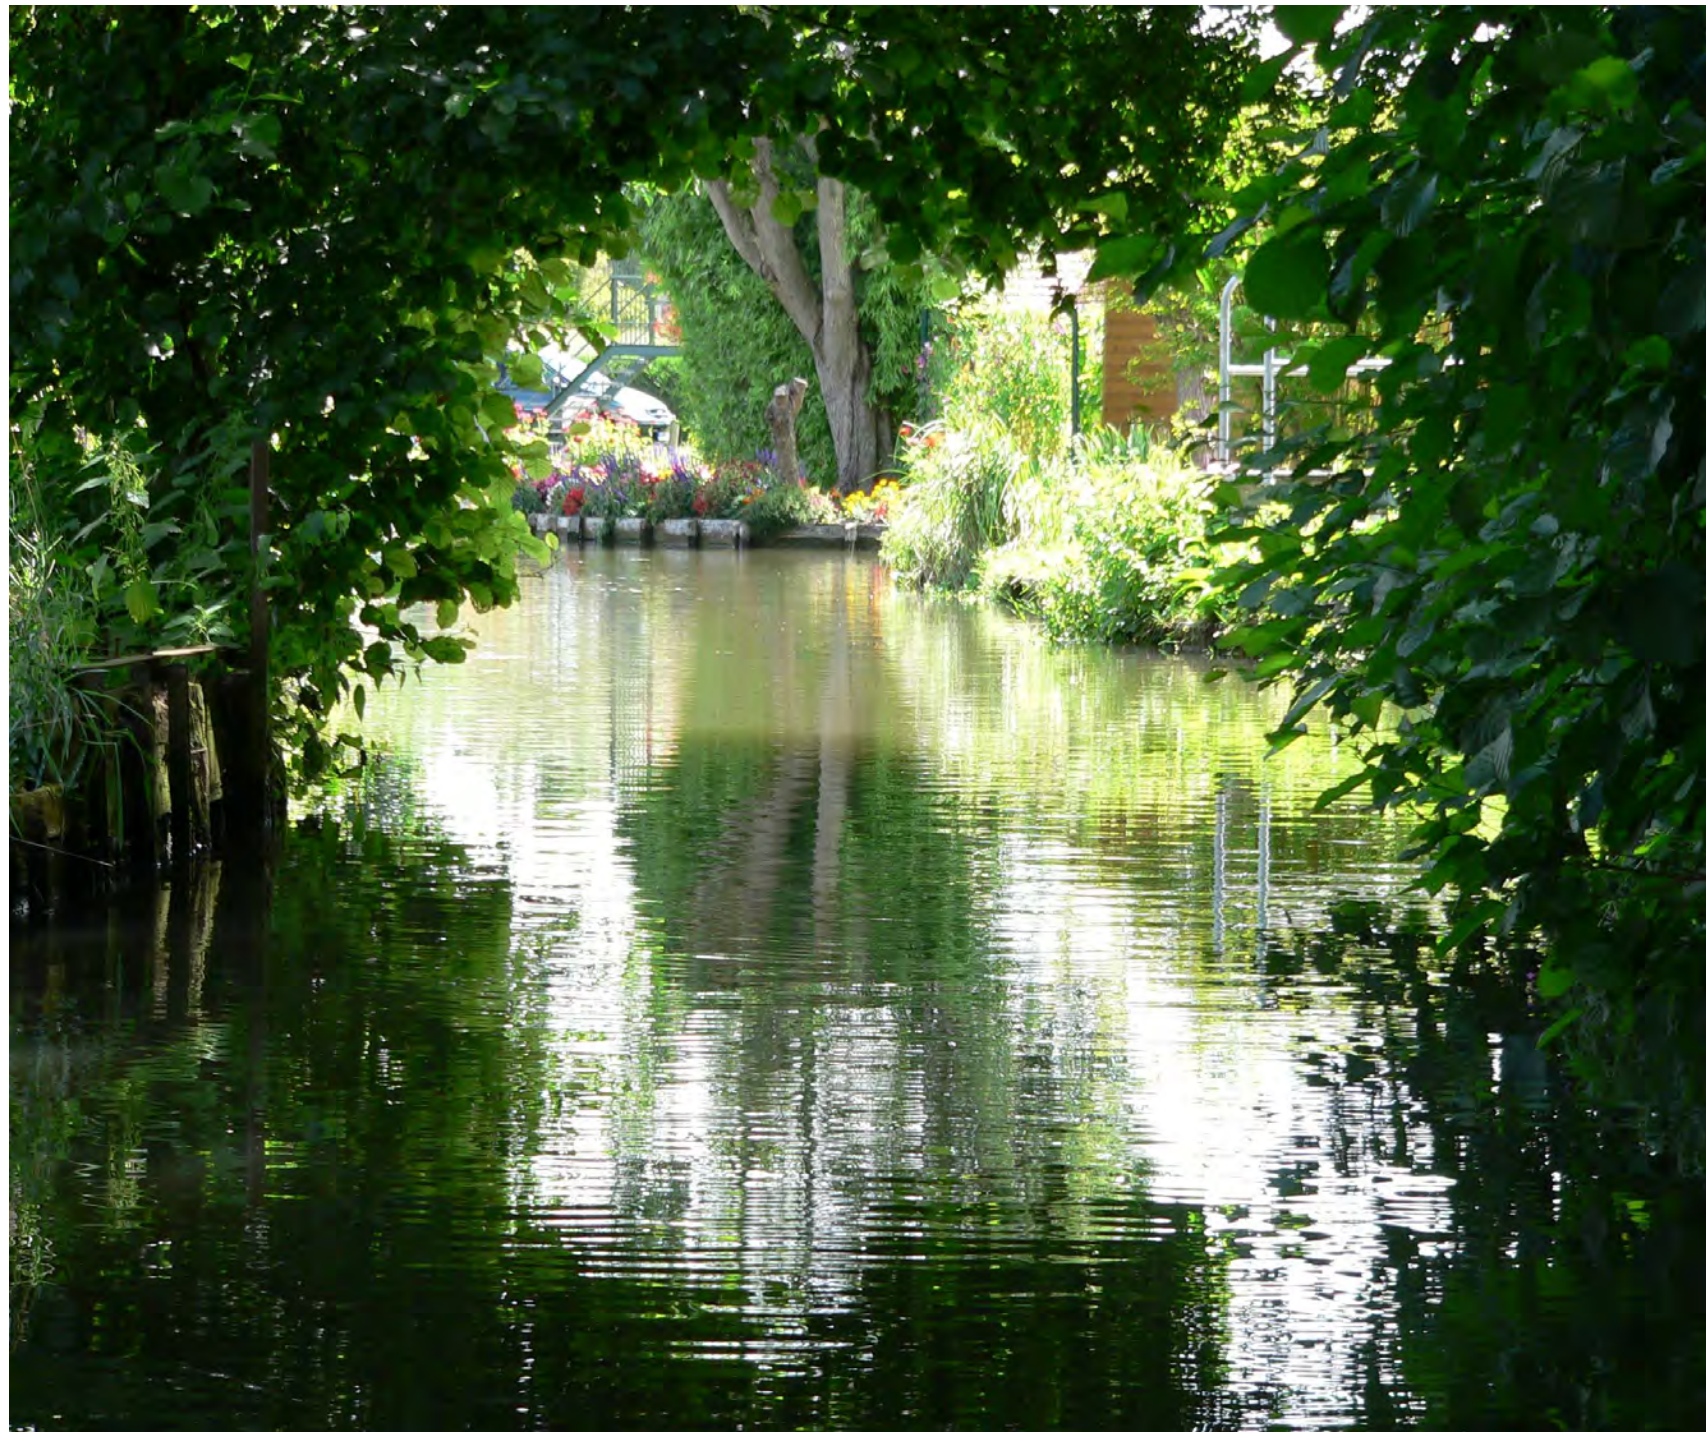

Depth

Rock outcrop
forms
a subject

Amiens

Framed shot

Poignancy

Diagonally
framed shot of the
river Somme

One million
soldiers fell here

Focus should
have been on
manual

Lynmouth

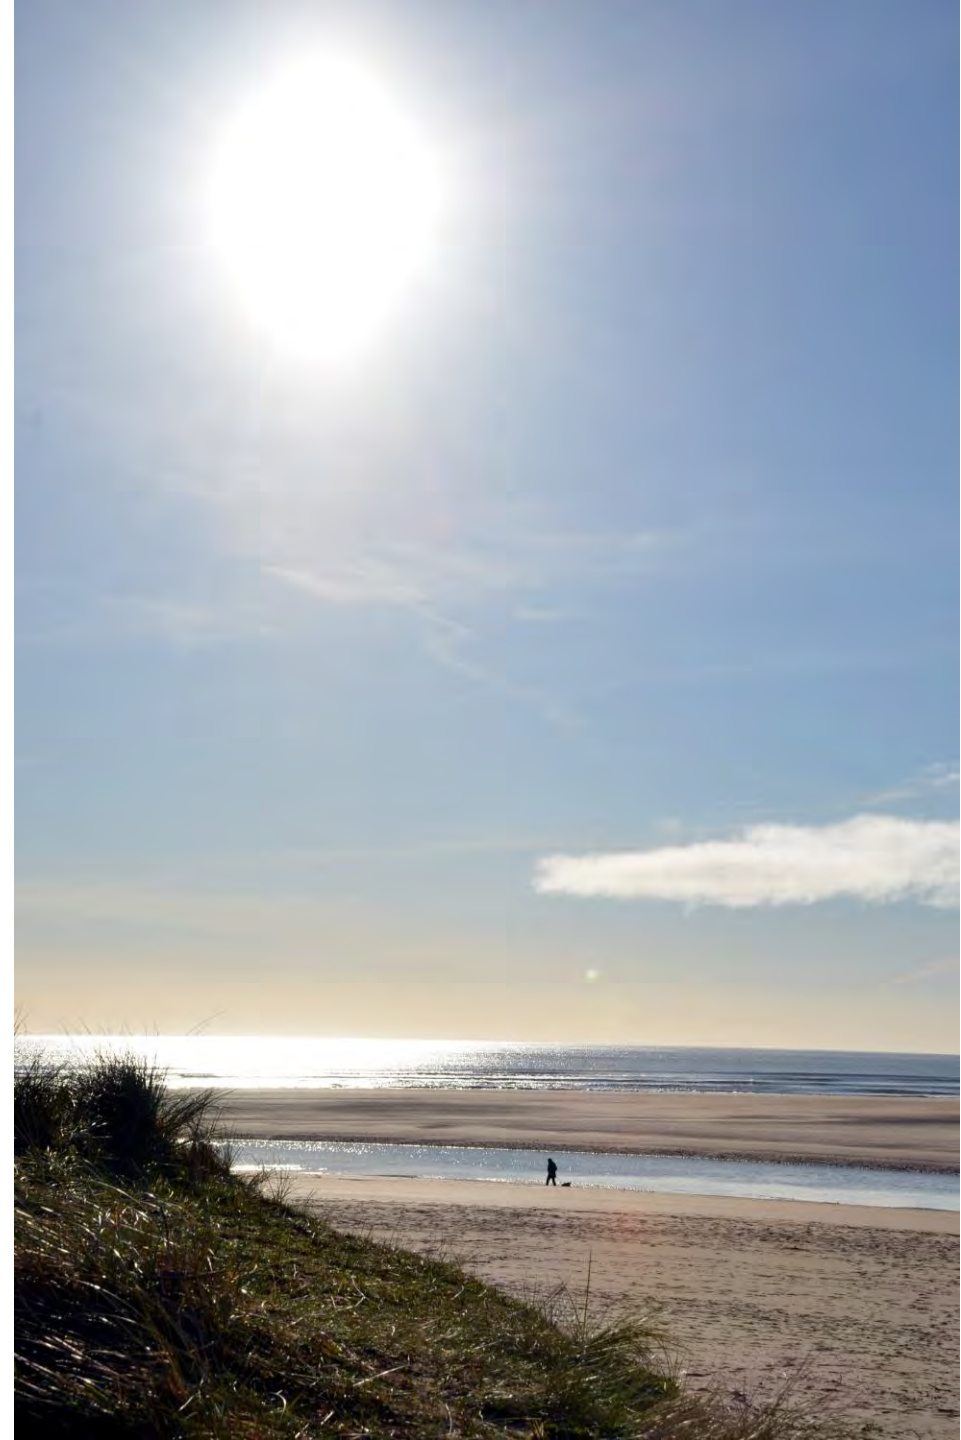

Nice view with depth
but lacks a good
subject so is cluttered
and composition
is poor

Alnmouth

The subject dog walker makes the picture
but it lacks colour maybe

Should the sun be cropped out?

Rain

- See it through its effect
- What lighting?
- Fast shutter to freeze raindrops and splashes

Its raining in Brussels

Its raining on a Rabbit too

Ruislip

Car lights
show up the
rain

Cold

- Mist
- Ice
- Snow

Brussels open air ice rink...
nice reflection but its lifeless

Lacks colour and life

Steam

Common
subject in
typical
pose

Internet

Welsh Highland Railway

Unusual crop
focuses on
the steam

Internet

Plenty of steam
in the kitchen

Internet

Water Sports

- The lower the angle the better
- Prioritise speed
- Pan when moving across the camera

Model yacht subjects
are available at
various parks

Internet

Malcolm's Boat

Hammersmith

Sports not
necessarily
high speed

- The end...thank goodness!
