The last that ever she saw him, Carried away by a moonlight shadow

Lost in a riddle that Saturday night, Far away on the other side.

The trees that whisper in the evening, Carried away by a moonlight shadow

Em **C** **D** **G** **D**

Sing a song of sorrow and grieving, Carried away by a moonlight shadow

All she saw was a silhouette of a gun, Far away on the other side.

He was shot six times by a man on the run, And she couldn't find how to push through

I stay I pray, See you in heaven far away

I stay I pray, See you in heaven one day

Four am in the morning, Carried away by a moonlight shadow

Stars move slowly in a silvery night, Far away on the other side
