By Brian Attkinson

[to the tune of Piano Man] 3/4 time

[Verse 1]

Well, there [C] is a place [G] called [F] Hilling-**[C]don
Where the [F] U3- [C]**A is [D7] strong [G]
It's been [C] running now [G] for [F] twenty-five [C] years
And who [F] knows how much [G7] longer it'll go [C] on. [G7]

[Verse 2]

They [C] say strengths [G] in its [F] mem-**[C]bers
I'm [F] sure that [C] that is [D7] true [G]
But [C] one thing that [G] keeps us [F] go-[C]**ing
Is its [F] leaders [G7] old and [C] new.

[Chorus] (The "Sing-along" part)

[Am] La la la, di da [D7] da [F]
[Am] La la di da [D7] da [G] [G7]

[Verse 3]

Now the [C] only [G] thing our so-**[F]**ciety [C] needs
To [F] keep it [C] going on so [D7] well [G]
Is our [C] membership [G] to [F] keep on [C] growing
So [F] get out [G7] there now and [C] sell. [G7]

[Verse 4]

Oh [C] Member [G] tell your [F] neigh-**[C]bor
Just [F] go that [C] extra [D7] mile [G]
We've [C] had twenty-[G] five years of [F] meet-[C] ings
So [F] we can cele-[G7]**brate in [C] style.

[Verse 5]

Our [C] study [G] groups get [F] big-**[C]ger
Over [F] eighty-[C] five they [D7] say [G]
From [C] languag-[G]es to [F] mu-[C]**sic
It's [F] growing [G7] day by [C] day.

[Outro Chorus] (The "Sing-along" part)

[Am] La la la, di da [D7] da [F]

[Am] La la di da [D7] da [G] [G7] [C]
