```
      C                G                  Am              F
When I find myself in times of trouble, Mother M…ary comes to me
C                      G          F     D2+G0  D0+G0    C
Speaking words of wisdom, let it be-ee
    C                  G              Am                F
And in my hour of darkness, she is standing right… in front of me

```
    C                  G                  Am              F
And when the broken-hearted people, living in… the world agree
C                    G          F     D2+G0  D0+G0    C
There will be an answer, let it be-ee
    C                        G              Am                  F
For though they may be parted, there is still a chance that they will see
C                      G          F     D2+G0  D0+G0    C
There… will be an answer, let it be-ee
```

Let it be, let it be, let it be-ee-ee, let it be
